After some discussion our next meeting will be held at 3:30, Monday, May 13<sup>th</sup> in the HS Board room

Prior to our meeting SB asked this year if BEA would be ready to pass over their list of items that they would like to present for negotiations. Both sides agreed prior to the meeting. Each side presented the other with their list of what items they wish to discuss.

Each side had the opportunity to ask some questions for clarification. It was explained and appreciated by the board, that this will be very help for us to save time, due to the fact we will have the full board together for a regular board meeting on Thursday. We will be able to get direction without having to have a special meeting.

It was also discussed that if either side has any further questions we were open to emailing. SB asked BEA if they have any of the wording prepared, if we could have the wording prior to the Thursday board meeting. Mrs. Patterson agreed to forward that to Kim.

Meeting Adjourned 4:35
