Request for Qualifications
Construction Manager At-Risk (CMAR)
Bottineau Public School District
Bottineau, North Dakota

The Bottineau Public School District #1 is preparing for the construction of a new elementary school facility to be built within the city limits of Bottineau, North Dakota. Construction costs for the school facility, will include all new site development, infrastructure, buildings and necessary remodeling at existing facilities, are anticipated to be \$7,560,000. The delivery method for this project will be through a Construction Manager at Risk, including specific criteria required by the Owner.

The successful CMAR for this project must be able to comply with the schedule and other specific criteria established by the Owner. Responses to the Request for Qualifications are due Friday, January 25, 2019 by 3 p.m. CDT. Information packets outlining the format for the Request for Qualifications may be obtained by contacting the following:
