

Health and Safety Committee

Date: 12/04/18 Location: HS Boardroom

Present: Laura Halvorson, Kim Bernstein, Mike Haberman, Pat Brenden

Meeting called to order at 5:22 pm

1. Reviewed notes from SBA Convention – New construction + Safety design ideas
District plan already includes a number of these items. Will look for a safety expert to assist during final design phase. Will create safety videos on site for training our staff.
2. Reviewed notes from SBA Convention – School violence prevention / Safety / and Mental Health services
To implement:
Students need training on emergency response
Visitor badges need to be color coded name tag stickers
Train staff to walk up and greet visitors, ask what doing here
First district + hospital = mental health services for students at no cost?
Investigate social worker position (Rugby & Dunseith – pay scale and job descr)
Emergency services can access our security cameras
SRO – cost sharing with local police
Watch DPI for PD on health integration into elementary classroom
Survey students about bullying and bullying “hotspots” on school grounds
3. SafeSport / Athletic Contracts for winter and spring athletics
Pat will investigate adopting contracts for spring sports this year
4. Plan for meeting with custodial staff and bus drivers
Pat will schedule a meeting for the beginning of January
5. Youth Risk Behavior Survey

Steps forward – continue giving survey each year, keep on agenda

Potential staffing needs – and staff training. High need to train on what to do when staff sees a situation with a student, look for grants

40 Developmental Assets from Search Institute – review before next meeting
6. Other
Procedures / policies for emergency forms and medical forms for students on fieldtrips and at away sporting events. Pat will investigate what district currently has.
