

Health and Safety Committee Minutes

Date: 02/05/19

Location: HS Boardroom

Meeting started at 5:59 pm

Present: Laura Halvorson, Kim Bernstein, Mike Haberman, Pat Brenden, Guest: David Hoff

Agenda

1. Report from Wellness Committee (moved to after #3)
Reviewed minutes from December meeting, discussed Principal's input, update on how water softener pellets were causing drinking fountains to malfunction, Wellness check-off list available from Policy Ponderings, will continue to seek options to provide active time for Jr. High students over lunch time.

2. SafeSport / Athletic Contracts for spring athletics
Discussion on professional development on SafeSport type topics not only for coaches but for ALL staff with a presenter. Would want to focus extra time on mandated reporter responsibilities, approaches to bullying, recognizing abuse.

3. Emergency forms for travel with students
Teachers and coaches who are teachers can access student records via PowerSchool if they wish to have information along while travelling with students. Coaches who are not teachers can request parents to provide emergency medical information as needed.

4. Updates from bus driver meeting
 - a. Review minutes with updates from Superintendent Brenden
 - b. Incident Report form for drivers – Mr. Brenden will help get this published and in use

5. Youth Risk Behavior Survey

Steps forward – ID students who would benefit from a mentor and assign mentors...need further discussion on this process

Potential staffing needs – SRO needed: must be shared w/ sheriff and be in contact with county commissioners, school administration will develop job description and cost est., must include a counseling component. Social Worker: down the road.

40 Developmental Assets from Search Institute – for future discussion

6. Other
