Parents/Guardians,

Bottineau Public School would like to announce that we will be providing free breakfast and lunch to students that are enrolled K-12 beginning immediately under USDA guidance. Free meals will be offered through December 31<sup>st</sup>, 2020 or until USDA funding runs out, whichever comes first. If funding ends unexpectedly before December 31<sup>st</sup>, we will let you know through our normal parent communication methods.

All lunch balances will remain at their current level until the USDA funding runs out, at which time normal breakfast and lunch charges will resume.

Also, we strongly encourage that families continue to complete the Free and Reduced applications as this will insure that students will receive free/ reduced meals without interference and is needed to help with educational funding sources.

If you have any questions or concerns, please contact Kelly Olson at 701-201-2266, Ext 113.

Sincerely,

A handwritten signature in black ink that reads "Kelly Olson".

Kelly Olson, Foodservice Director
